

SENATE MOTION

MADAM PRESIDENT:

I move that Senate Bill 245 be amended to read as follows:

1 Page 24, between lines 19 and 20, begin a new single block
2 indented and insert:
3 **"(11) Require a telecommunications service provider, at any**
4 **time the provider communicates with a residential customer**
5 **about changing the customer's basic telecommunications**
6 **service to nonbasic telecommunications service, to notify the**
7 **residential customer of:**
8 **(A) the option of basic telecommunications service; and**
9 **(B) any regulatory protections, including pricing or**
10 **quality of service, that the residential customer would**
11 **forego by switching to nonbasic telecommunications**
12 **service."**
